

HealthSource OB/GYN FAQ

1. What is changing with HealthSource obstetrics and gynecology services?

Beginning **Monday, April 6, 2026**, surgeries and deliveries will occur at **UC West Chester Hospital** (7700 University Dr, West Chester Township, OH 45069).

2. Where will I receive prenatal and routine OB/GYN care?

Prenatal and routine OB/GYN care will continue at HealthSource locations.

However, beginning **Monday, April 13, 2026**, OB/GYN services currently provided at our Anderson location will transition to **HealthSource Loveland**, located at 6535 Charles Snider Road Loveland, 45140.

Our **HealthSource Mt. Orab** and **HealthSource Batavia** OB/GYN locations are not affected and will continue operating as usual.

3. Why is HealthSource transitioning deliveries to UC West Chester Hospital?

This transition supports our commitment to providing high-quality, coordinated women's health services. Delivering at UC West Chester Hospital allows our OB/GYN team to continue offering comprehensive care in a setting designed to support patients and families throughout pregnancy and delivery.

4. I am scheduled to deliver around April 6, 2026. What should I expect?

Patients planning to deliver on or after April 6, 2026, will receive additional information at their next appointment about delivering at UC West Chester Hospital.
